

What can NATM do for me?

- State Conference each year
- An Executive Board of math people elected by you who represent elementary, secondary, and college level mathematics
- Supports Expanding Your Horizons Conferences and JUMP program
- New Professionals Conference
- Newsletter with activities and resources
- Website: <http://www.natmonline.org>

Recognition Awards

Donald W. Miller

Distinguished Service Award

Milton M. Beckmann

Lifetime Achievement Award

(Presented at Fall NATM Conference)

The mission of the Nebraska Association of Teachers of Mathematics is to enhance the teaching and learning of mathematics by fostering professionalism, cultivating leadership and facilitating communication among educators.

NATM PHILOSOPHY

Encourage and promote professionalism among math teachers wherein math teachers realize that they are an important part of education and should be proud to be teachers.

Enhance math education in the areas of content and instruction by working in conjunction with NCTM (National Council of Teachers of Mathematics).

Develop a cohesive link between various levels of math education (elementary, middle school, junior high, high school, and college)through communication, resources, networking, curriculum development, and outreach programs.

MEMBERSHIP OPTIONS

Membership includes four newsletters, paying only registration fees at NATM conferences, and contributing to a state organization, which can in turn be of service to all math teachers in the state of Nebraska.

Secondary & College	\$20.00
Elementary	\$15.00
Math Education Students	\$10.00
Administrator	\$10.00
Optional 3-year Regular	\$50.00
